Join us for our 1st Real Talk in 2026 and our 9th in the series with a discussion on our local community policing efforts including resources and programs available for community involvement. Our monthly series is designed to foster open, honest, and engaging conversations about the issues that matter most to our community. Each session brings together diverse perspectives, expert insights, and meaningful discussions. Whether you're looking to learn, share your voice, or connect with others who care about making a difference, Real Talk is the space for you. Join us and be part of the conversation that shapes a more inclusive and informed future.
